STANFORD BALLROOM
202 WEST MAIN ST.
STANFORD, KY 40484

THIS IS A NATIONAL PRINCIPALS ACADEMY EVENT

JOIN US FOR THIS HANDS-ON PROFESSIONAL LEARNING EXPERIENCE WITH MURIEL SUMMERS, NATIONALLY RECOGNIZED PRINCIPAL AND EXPERT IN VISIONARY LEADERSHIP.

“Muriel is wonderful! I love her practical ideas.
I know what she is telling me will work, because she lives it every day.”

-April 2014 Workshop Participant

Overview

- Do you prepare and challenge your staff to think about the future?
- Do you plan in advance for your school's future needs?
- Do you use data to anticipate your students' and staff's needs?
- Do you create the culture and climate that enable your staff to lead successfully?

With Muriel Summers as your expert guide, you will investigate and stretch what you know about becoming an effective Visionary Leader. You will look at your leadership skills and practices and make a plan for how you can improve to help every student thrive.

This National Principals Academy event includes:

- Pre-workshop investigation of your skills
- Post-workshop reflection and ideas for you to implement in your school
- Self-Assessment of your leadership skills using the *Educational Leadership Inventory*©
- The opportunity to participate in a follow-up workshop with Muriel Summers for more in-depth learning

NPA thanks the Kentucky Leadership Academy for supporting this in-depth workshop for school leaders.

About Muriel Summers

Muriel Summers has been the principal of A.B. Combs Elementary School in Raleigh, NC, since 1998. Ms. Summers has guided her school to create the first Leadership Elementary School in the nation. Combs has received many national awards under Ms. Summers' leadership including, The National Blue Ribbon, The National School of Character, The National Magnet School of America, and the Lighthouse Recognition Award from FranklinCovey.

Ms. Summers holds a BA degree from UNC-Chapel Hill, a Masters in Elementary Education from UNC-Charlotte, a Masters in School Administration from the University of Maryland and an honorary doctorate from California University. One of the greatest professional joys of her life is being the principal of A.B. Combs.

Comprehensive Teacher/Leader Professional Learning from The National Principals Academy

The National Principals Academy transforms education leaders by bringing world-class leaders, practitioners and researchers to current and aspiring leaders around the nation and internationally. This Muriel Summers workshop is one in a series of Leadership Professional Learning opportunities from NPA and Edwards Educational Services, Inc. We encourage you to continue your learning with us throughout 2015:

- Lessons in Visionary Leadership with Muriel Summers, April 11, 2015, Beckley, WV.
- National Principals Academy Summer Institute, June 22-26, 2015, Alexandria, VA.
- Continuing Lessons in Leadership with Muriel Summers, July 2015, Stanford, KY (Date TBD).
- Instructional Leadership for Middle School Leaders with Dr. Laurie Barron, Fall 2015 (Date TBD).
- Educational Leadership Inventory©, a 360-degree assessment of your leadership skills that includes a one-hour debriefing session with an expert coach. The ELI can help you chart a successful course for your Professional Leadership Learning.

The Kentucky Leadership Academy supports this National Principals Academy workshop because it provides high quality and in-depth professional learning that will help school leaders succeed. This workshop is not an official program of the Kentucky Leadership Academy.

The Kentucky Leadership Academy is a program of the Kentucky Association of School Administrators. The goal of the Kentucky Leadership Academy (KLA) is to assist in building leadership capacity for whole school improvement and success. The content focus for 2014-15 will be: Moving from information to application of Kentucky's new effectiveness system—both Teacher Professional Growth and Effectiveness System and Principal Professional Growth and Effectiveness System. KLA will support full implementation by providing processes and tools, training modules, books and resources, and access to our online learning community.
